

RENO QRP GROUP SLOW SPEED CW QRP NET REPORT

Hi all;

The log of our last slow speed NET November 2, 2023 is attached.

The NET was held from Hidden Valley the weather was sunny air calm. NET started on time at 11:00 am on 7.045 MHZ. The noise level at set up was S3 but SFI 151 A index 9 index 1 Xray C1.7

There was a total of 6 QNI today Van W7IEX, Joe KM6HJP, Rob KA6JLT, Woody K1LB, Phil AB7WE, Derek W7DLZ.

First up was Van from his home in south Reno using his FT DX 3K at 10 watts. Van hadn't checked in for some time it was good to hear his fist today.

Next was Joe from Doyle, CA he had a good strong signal at 599 using his IC 7300 at ten watts into his EFHW inverted "L" Joe gave a good report I am always happy to hear from him.

Next was Rob from his home in south Reno, NV using his IC 761 at 10 watts into his indoor antenna he was 599 to me Rob always gives a good report.

Woody was next in the field again before winter gets here at Huffaker Hills Trail Head. Woody was using his POTA rig the IC 7300 at 10 watts into his end fed ant up 30 ft.

Always happy to hear from Phil in the northwest part of Reno. Phil was 589 to me strong and clear. Phil gave a good report using his IC 7300. (The IC 7300 is the winner today at the NET, Woody once showed me the rig, very small and good for the field.) Phil gave a full report with RST's for all on the NET.

Last was Derek but when called he wasn't there. That is OK I am glad that he did QNI today.

The next NET will be Nov. 16, 2023, starting at 11:00 AM

STARTING TIME IN NOVEMBER IS NOW 11:00 AM

Hope to hear you all again. 73/72 Ed/WD7Y

RENO QRP GROUP SLOW SPEED CW QRP NET REPORT

Hi all;

The log of our last slow speed NET November 16, 2023 is attached.

The NET was held form Hidden Valley the weather was cloudy and calm temp about 50 f. NET started on time at 11:00 am on 7.045 MHZ. The noise level was high at time a buzzing sound between S4 to S7. The SFI 119 A index 12 index 2 Xray B9.6.

There was only 3 QNI today Van W7IEX, Joe KM6HJP, Derek W7DLZ

First up was Van from his home in south Reno using his FT DX 3K at 10 watts. Van was solid copy at 599 using his FT DX 3K at ten watts into his vertical.

Next was Joe from Doyle, CA but didn't come back when called.

Then it was Dereck's turn reporting from his home in Lemmon Valley. Derek uses the FT DX 10 at ten watts he was solid at 599 to me. Derek gave RST reports and the weather.

At last comments Joe KM6HJP from Doyle, CA gave his report he copied me at 339, unlike two weeks ago we were both 599. Joe was using his IC 7300 at 10 watts into his inverted L at 40 ft.

The next NET will be Nov. 30, 2023, starting at 11:00 AM

STARTING TIME IN NOVEMBER IS NOW 11:00 AM

I have some good news to share with all Bob KA6NSN after being in the hospital for a very long time is finally back home.

One last thing I am wishing you all a happy Thanks Giving.

Hope to hear you all again. 73/72 Ed/WD7Y

RENO QRP GROUP SLOW SPEED CW QRP NET REPORT

Hi all;

The log of our last slow speed NET November 30, 2023 is attached.

The NET was held form Hidden Valley the weather was partly cloudy and calm. NET started on time at 11:00 am on 7.045 MHZ. The noise level was S4.5. The SFI 171 A index 5index 1 Xray C1.1.

There was 6 QNI today Mke WA6ARA, Rob KA6JLT I/O, Roy W7HJL, Dave KI6SJE, Phil WB7WE, Joe KM6HJP.

First up was Mike from Ridgecrest, CA very strong signal at 599 solid copy. Mike gave a fine report including the weather.

Next up was Roy from Walla Walla, WA he had a signal at 579. He reported that I was only 549 to him and Mike was 329 with QSB.

Another thing he mentioned that Dave KI7SJE was trying to check in, I mentioned I heard a KI.

At that time Dave broke in and did a find report his signal was also 579 and that he received me at 539. Dave was using a doublet and Roy used a vertical both were solid copy to me.

Then it was Phil's turn giving a good report as usual including RST's for all along with the weather. Phil was 599 tom me and I was 579 to him.

At last comments Mike said he was glad to be back on the NET and hope to be for a long time. Mike had missed some of the NET's because of health problems, I missed hearing his signal and I am very glad he is back.

One more under last comments Joe from Doyle, CA reported in and gave a god report our signals were both 599.

The NET was closed at 11:30 AM

The next NET will be Dec. 14, 2023, starting at 11:00 AM

Hope to hear you all again. 73/72 Ed/WD7Y
